Dear Mr. Schmidt:

On January 8-9, 2002, the Department of Environmental Services, Waste Management Division (DES) conducted an inspection of FCI. The purpose of the inspection was to determine FCI's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, FCI was issued Letter of Deficiency No. WMD 02-09 (the LOD). Based upon a review of FCI's submittals dated January 18, 2002, March 20, 2002, and April 26, 2002, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor FCI's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Eric K. Abrams or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,
